2016 New Varieties

**PREMIUMS**

**Alocasia**
- Buddha's Palm - Striking plant. Very large, heart-shaped leaves. Considered a good luck plant. 2-4 ft. Full to part sun.

**Begonia**
- elatior - Barkos (deep red), Blitz (yellow), Clara (white). Upright Reiger begonias with large blooms. 6-8 in. Part shade.
- Nonstop White - Upright, tuberous-type begonia with large, double flowers. 10-12 in. Shade to part shade.

**Bidens**
- Yellow Trailing - Vigorous, spreading, heat loving and everblooming. Great for pots and beds. 18 in. Sun.

**Bracteantha**
- Mohave Dark Red - Versatile plant holds up to cool and heat. Great in pots, baskets and borders. 10-12 in. Sun.

**Calibrachoa**
- Crave Sunset - Blossoms have yellow orange tips and fiery red centers and veins. Vigorous. Everblooming. 10-14 in.
- Kabloom - Deep Blue, Deep Pink, White, Yellow. First Calibrachoa from seed. Profuse blooms. Mid vigor. 8-12 in.

**Canna**
- Alaska - Creamy white blooms. Lush green foliage. 4 ft.
- CannaSol Carmen - Dark red blooms. Green foliage. 3-4 ft.
- CannaSol Wilma - Peachy orange blooms. Green foliage. 3-4 ft.
- Kreta - Bright red blooms. Lush green foliage. 4 ft.
- Red Velvet - Fiery red blooms. Lush green foliage. 3 ft.

**Carnation**
- Oskar - Cherry Velvet, Dark Red, Pink, Pink and Purple, Purple Star, Salmon, Salmon and White, Scarlet. 8-15 in. Sun.
- Pink Kisses - Delicate pink blossoms similar in habit to Oskar series.

**Chrysanthemum, Fall**
- As always, new and repeat varieties each year. A grower's assortment of good performers for fall color. 1-2 ft. Sun.

**Coleus**
- Globetrotters Gaga - Yellow leaves with green edges and hot pink centers.

**Colocasia**
- Black Beauty - Almost black, very large, heart-shaped leaves. Likes moist soils. Zone 7b-10. 4-6 ft. Full to part sun.
- Illustris - Wide, green venation on very large, almost black, heart-shaped leaves. Zone 7b-10. 4-6 ft. Full to part sun.

**Cyperus**
- Dwarf Papyrus - Great water plant. Works well in containers and water gardens. 3 ft. Sun to part shade. Zone 9.

**Dahlia**

**Euphorbia**
- Star Dust Super Flash - Back on our list! Clouds of airy white flowers all season. 10-15 in. Sun to part shade.

**Geranium, Interspecific**

**Gogi Berry**
- Lilac, star-shaped blooms. Bright orange red berries are slightly sweet, tangy, nutritional and high in antioxidants.

**Hibiscus**

**Impatients, Double**
- Fiesta Rose - Green-leaved plants with showy, rose, double blossoms. 8-12 in. Shade to part shade.

**Lantana**

**Lobularia**

**Osteospermum**

**Papaya**
- Dwarf - Mildly sweet, 7" fruits on dwarf plants. Self-pollinating. Needs warmth all year. 4-6 ft. Full sun.

**Petunia, Double**

**Petunia, Semi-Trailing**
- Night Sky - Deep violet blooms dotted with white spots, reminiscent of stars in the evening sky.

**Pomegranate**

**Thunbergia**

**Tulip**
- Bright Sight - Double yellow flowers with rose red accents. 12-15 in. Sun.
